Address: 5F, 109-ho, 39, Seocho-daero 77-gil, Seocho-gu, Seoul,
Republic of Korea

Topics & Scopes

▪ **Energy**
Solar / Wind / Hydro / Geo-Thermal / Hydrogen
ESS / Battery / Grid / Energy Conversion and Delivery
Energy Harvesting / Energy Materials / Management

▪ **Water & Environment**
Purification / Irrigation / Rainwater / Desalination
Water Grid / Water Splitting / Environment Technology

▪ **Appropriate Technology**
Agriculture / Architecture / Infrastructure /
Transportation Manufacturing / Recycle & Upcycle /
Living Lab Education / Medical / Health / Rehabilitation
Best Practice / Regional Development

▪ **Climate Change & Sustainable Development**
Carbon Zero / COVID-19 / ESG / SDG / PPP
Green New Deal / ODA Best Practice / Policy / Education
International Collaboration / Intellectual Property

▪ **Smart Technology**
ICT / Open Source / AI / Cloud / Smart Grid / Smart Factory
Smart Farm / Smart Building / Smart City / Smart Mobility
Digital Twin / Sensor / Robotics

Awards

Best Presentation Award
Best Student Presentation Award

"EXHIBITION BOOTH PARTIPATION AND SPONSORSHIP RECRUITMENT"

We are recruiting companies, organization, and
sponsoring organizations to participate in exhibition
booths at ICEAS2024. If you are interested in
