

2024 FERF

FOREIGN ENVIRONMENTAL RESEARCHER'S FAIR

외국인 환경공학자 학술제

DATE

August 29, 2024

VENUE

Konkuk University
New Engineering Bldg B106

+ Welcome Message

Foreign Environmental Researcher's Fair (FERF) will be held in order to provide academic exchanges between foreign environmental engineers studying or staying in Korea, to provide contact points with domestic related companies, and to contribute to the global business of Korean water industry. Many interested foreign students and environmental engineers attended the event, and we prepared this event in anticipation of becoming a venue for academic and employment-related exchanges. Thank you.

All President, KSWW · KSEE · KSWE

- I Jihyang Kweon | President, Korean Society of Water and Wastewater
- I Seoktae Kang | President, Korean Society of Environmental Engineers
- I Joonhong Park | President, Korean Society on Water Environment

+ Overview

- Event** 2024 Foreign Environmental Researcher's Fair (FERF)
- Date** Thursday, August 29, 2024 10:00 a.m
- Venue** Konkuk University New Engineering Building, B106
- Registration fee**

Category	Fee
Researcher · Ph.D. Student / Master Student	KRW 30,000
Student	KRW 10,000

(※ Registration Fee Includes lunch.)

5. Payment Method Credit Card / Bank Transfer

Bank Transfer	Bank Name	KookminBank KB 국민은행
	Account Holder	Korean Society of Water and Wastewater
	Account Number	274301-04-136129

(※ When you send the registration fee, please make sure to have the sender's name as well as the registrant's name.)

6. Registration method Pre-Registration / On-site Registration

7. Abstracts Submission Information

- All authors who plan to present must register before submitting their abstract.
 - Once an abstract has been submitted, it cannot be withdrawn, and registration (or pre-registration) cannot be cancelled.
 - We recommend that authors prepare their abstract using Microsoft (MS) words program.
- (※ If you have any further requests or questions, please contact :
- Regarding the conference: ksww@ksww.or.kr)

8. Organized by KSWW, KSEE, KSWE

9. Managed by KSWW

10. Participant

- Environmental engineering researchers, graduate students, and undergraduate students
- : Graduate students participate in poster presentations and exchange meetings between companies by major and research content
- : Undergraduate students participate in exchange meetings between companies and seminars for overseas expansion of Korean companies

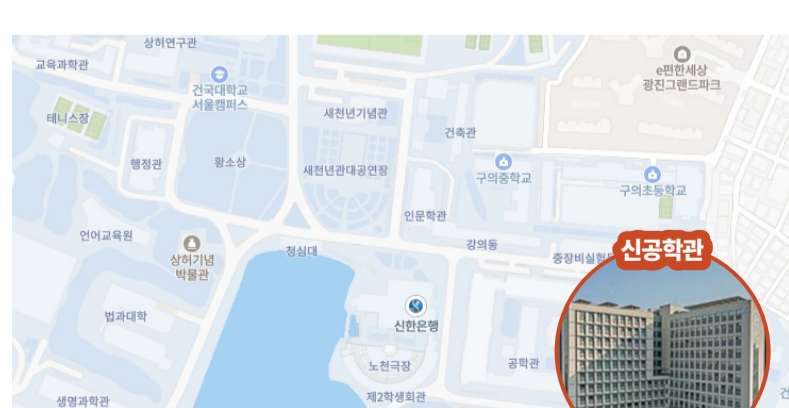

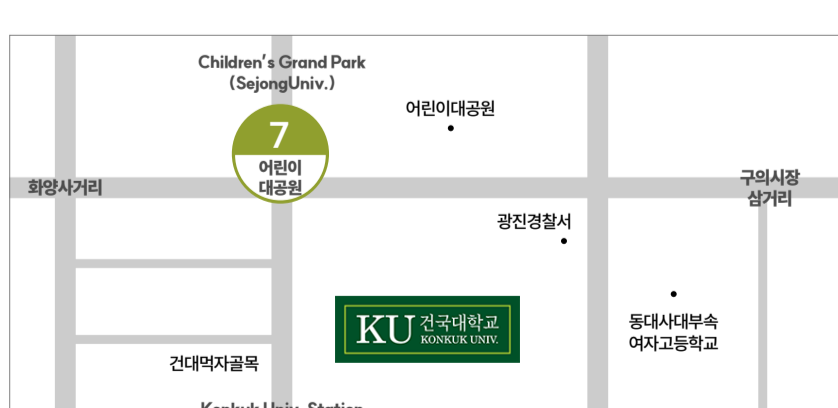

+ Program at a Glance

Time	Program
10:00 - 10:30 (30')	Registration
10:30 - 11:00 (30')	Opening Ceremony Chair: Choi, Junghyun (Ewha University)
	Opening Address ▪ Kweon, Jihyang (President, Korean Society of Water and Wastewater)
	Congratulatory Speech ▪ Kang, Seoktae (President, Korean Society of Environmental Engineers) ▪ Park, Joonhong (President, Korean Society on Water Environment)
11:00 - 12:00 (60')	Invited Lectures Chair: Choi, Junghyun (Ewha University)
	▪ Overseas network for water industry development Hong, Seungkwon (President, Korea Water Partnership)
	▪ Introduction to foreign talent support project and domestic immigration policy trends Ahn, Taemin (Director, Seoul Global Center)
	▪ Training and support for foreign environmental engineering talent Choi, Sunghyun (Director, KWWA)
12:00 - 13:00 (60')	Lunch Break
13:00 - 13:40 (40')	Successful Employment Cases in Korea Chair: Kim, Dooil (Dankook University)
	▪ Cases of Employment and Settlement of Foreign Students Vicki Ardiansah (Samsung C&T, Indonesia)
	▪ Cases of Employment and Settlement of Foreign Students Byambaa Battuya (Post-Doc Korea Univ. Mongolia)
13:40 - 14:20 (40')	Poster Session
14:20 - 15:20 (60')	Korean Company Oral Session 1 Chair: Shim, Yuseop (KWP)
	▪ Promoting Smart Drinking Water Management in South Asian Cities Kim, Taewan (Assistant General Manager, K-water)
	▪ Feasibility Study for Semarang City Smart Water Management Project Shin, Heungsup (Vice President, Hankuk Eng.)
	▪ Detailed design of water supply pipeline system to distribution reservoir (120,000m3) in Mostaganem-Tiaret Koo, Bonseok (Chief, DMEC)
	▪ Sewerage System Expansion Project in SANTO DOMINGO Shin, Kangchul (Managing Director, Kunhwa)
15:20 - 15:30 (10')	Coffee Break
15:30 - 16:30 (60')	Korean Company Oral Session 2 Chair: Choi, Sunghyun (Director, KWWA)
	▪ Introduction to KWP water companies' overseas expansion support case studies Shim, Yuseop (Secretary General, KWP)
	▪ Bluesen Co., Ltd. Overseas Business Introduction Choi, Jaewoong (Team Leader, BLUESEN)
	▪ BKT's challenges toward the Tomorrow Water Project Yoon, Yongjoon (Director, BKT)
	▪ Intelligent water leak management system export case Kim, Jiseon (Chief, WI Plat)
16:30 - 16:40 (10')	Coffee Break
16:40 - 17:00 (20')	Closing Ceremony

(※ The plan is subject to change.)

+ Venue

120, Neungdong-ro, Gwangjin-gu, Seoul, Korea
(Konkuk University New Engineering Building, B106)

+ Important Dates

- Deadline for Pre-Registration : Friday, August 23, 2024
- Deadline for Abstract Submission : Monday, August 19, 2024

(* Presentation Type : Poster)
